READING BLUE COAT SCHOOL

BACKGROUND

Reading Blue Coat School (RBCS) is a leading independent day school with 760 pupils. Boys aged 11 – 18 and girls aged 16 – 18. The School was founded in 1646 by Richard Aldworth, a merchant of The Skinners' Company and a Governor of Christ's Hospital. The School was established near St Mary's Minster Church in Reading and was originally known by its historic name of Aldworth's Hospital.

In 1947, Reading Blue Coat School moved to the magnificent 46 acre estate of Holme Park in the Berkshire Thames side village of Sonning, four miles east of Reading, where it remains today. The ethos of the School derives from its Christian foundation and traditions, fostering care and consideration within the community. The School aims to provide a stimulating and friendly atmosphere in which each pupil can realise his or her full intellectual, physical and creative potential. Pupils are encouraged to be self-reliant and adaptable, and the School intends that they will learn the basis of good citizenship, founded on honesty, fairness and understanding of the needs of others. The curriculum provides a balanced blend of academic and non-academic activities that combine to meet these objectives.

The School employs in excess of 170 salaried staff, of whom about 50% are academic staff.

FACILITIES

The School enjoys excellent facilities and continues to invest in the site.

Key developments over the past five years include;

- the Richard Aldworth Building, a 25-classroom block that provides first-class teaching facilities for a number of major departments including English, Mathematics, Modern Languages, Classics, Geography, Art and a common room for Middle School pupils with views over the sports pitches;
- the Sixth Form Centre;
- a Psychology and Geology Centre;
- a riverside boathouse;
- an IT Centre;
- a Design & Technology Centre;
- a Drama Studio;
- and various other amenities have been completed.

The new buildings add to an already impressive list of facilities including the Sports Complex, the Science Centre, Reception and the Messer Building.

The Governors have further ambitions for the School and we have planning permission for the next phase in our development which will include:

- a new Grounds, Maintenance and Activities Centre;
- a new Performing Arts Centre.

ACADEMIC LIFE

The academic curriculum at Reading Blue Coat is based on the principle that all pupils should experience a broad and balanced range of basic subjects and skills. From Year 9 onwards, this range is gradually modified, by elements of choice, enabling both the interests and aptitudes of individual pupils to be reflected. Most lessons are taught initially in classes of mixed ability, although setting occurs in Mathematics and French in Year 7, Languages in Year 8 and Science in Year 10.

READING BLUE COAT SCHOOL

Geology is also a thriving subject, with a new Geology and Psychology Centre supporting the increased levels of interest.

In Year 11, all pupils take qualifications in English, Maths and Science (all IGCSE) and a Modern Foreign Language. They also take three GCSEs from a broad range of eleven subjects. All pupils take a GCSE in Religious Studies in Year 10.

In the Sixth Form pupils can choose from a range of 24 subjects, including subjects most will not have studied before, such as Economics, Government and Politics and Psychology. Enrichment opportunities in the Sixth Form include the Extended Project Qualification (EPQ), visiting speakers and the School's own UP (university preparation) programme. Reading Blue Coat School always seeks to stretch and challenge pupils and the School's Learning Support Department ensure that pupils with specific learning needs are supported effectively.

The School's Learning Research Group ensures a sustained focus on developing teachers and pedagogical enrichment. 2017 academic results were impressive; the A Level results were Blue Coat's best ever with 82.7% achieving A*-B and at GCSE the School has achieved 90% A*- B five years running.

Virtually all Year 13 leavers proceed to degree courses at universities of which approximately 70% go to the Russell Group of universities. Each year, four or five students attain places at Oxbridge. In 2017 just under 90% of students achieved places at their preferred university.

PASTORAL

Pastoral care focused on the individual is at the heart of the School. Reading Blue Coat's pastoral structure is based around the tutorial system within the framework of four houses: Aldworth, Hall, Malthus and Rich. All pupils are part of a tutor group that is overseen by a member of staff who is responsible for their well-being and the development of their character and intellectual curiosity. The School prides itself on mutual respect, tolerance and courtesy, and all activities seek to strengthen these values. The house system enables pupils to take part in activities that foster the development of these ideals through music, sport, drama and public speaking.

SPORT

Reading Blue Coat has an enviable reputation both locally and nationally for the high quality of its sporting teams. Sport plays a key role in developing every pupil's potential – physical fitness and skill, teamwork and learning how to win and lose. Sports are coached to a very high level while providing for, and encouraging, those for whom participation rather than excellence is important. Major sports are rowing, rugby, netball, football, cricket, tennis and athletics. Other sports include golf, squash, cross country, climbing, weight training, touch rugby, shooting and archery.

DRAMA, MUSIC AND THE ARTS

Reading Blue Coat School has a reputation for drama performances of the highest quality, with an extensive programme of performances throughout the year. The main expressions of artistic undertakings at Reading Blue Coat are music, drama, public speaking and painting. Pupils' endeavours in the arts are highly successful and widely acclaimed, including internationally. Music is at the heart of the School; all boys are auditioned for the choir and many learn a musical instrument. The breadth and depth of musical and dramatic talent at the School is evident in the wide range of plays, concerts, "Swing into Summer time" – an outdoor festival of the arts, and other eclectic events that take place across the year.

READING BLUE COAT SCHOOL

CO-CURRICULAR

Co-curricular activities are designed to enable pupils to develop practical and social skills such as leadership, enterprise and communication. As part of the extensive co-curricular programme, Reading Blue Coat School offers a number of exciting options from which pupils can choose for their weekly activities session. Activities offered include Combined Cadet Force (all services), Duke of Edinburgh, Young Enterprise, Film Club, Archery, Creative Writing and Journalism.

COMMUNITY

Reading Blue Coat pupils are encouraged to be aware of their place in the wider world and to show consideration for all those with whom they come into contact. These principles are based on the ideas handed down by our founder, Richard Aldworth. Today the School has strong links with the wider community and pupils have many opportunities to engage with the world beyond the School gates. The Sports Leaders programme is particularly popular, as it prepares Sixth Formers to go out into primary schools in Sonning, Caversham and Maidenhead to coach a number of sports. Reading Blue Coat's Primary Schools Placement programme also gives pupils the opportunity to assist with tuition in Maths, English and languages in local primary schools and A Level Philosophy pupils have delivered an introduction to Philosophy in a nearby school. Further afield, the School has an established partnership with a school in Ghana.

DEPARTMENT DESCRIPTION

Department of Economics and Business

The Economics and Business department at Reading Blue Coat is thriving, popular and successful. Benefiting from a strong sense of team work, the department is a happy and rewarding environment to work in.

The subjects are only taught in the Sixth Form and there are currently five teachers in the department teaching the Edexcel A Level syllabus in both subjects. The Edexcel AS Economics B qualification is also taught in the department as part of the Sixth Form enrichment programme. Offered as two of a number of new subjects for students at Sixth Form level, the subjects are increasingly popular and there are currently 114 pupils studying either Business or Economics in the School.

The department is committed to ensuring students of all abilities meet their academic potential. Results in the department are excellent. In 2018, in Economics 89% of students achieved A*-B grades, with 67% of them at A* or A grade level. Business grades were also very good with 71% of students achieving A*-B grades. Economics and Business-related courses at university were the most popular degree choice with Blue Coat students in 2018, with students achieving offers from a variety of excellent universities

Economics is currently taught in the modern Messer building, with three designated well equipped classrooms and a large shared office. Students are encouraged to extend their understanding of the subject outside the classroom through supplementary reading, attendance at conferences and relevant subject trips.

The successful candidate will also be expected to contribute to the co-curricular offerings of the department. These currently include Young Enterprise, the ICAEW Base competition, and Economics Society. The department also encourages and supports students taking part in various subject related essay competitions.

The department aims to offer exciting, engaging and informative teaching and encourages professional development. Staff are expected to develop their skills via INSET and through sharing good practice within the School and will be encouraged to contribute to the development of schemes of work and teaching and learning in the department.

For an informal telephone conversation about the role, contact Mrs Kerry Bayliss, Head of Economics & Business, on 0118 944 1005 or email keb@rbc.org.uk.
