

READING BLUE COAT

An Independent Day School for Boys with a Co-Educational Sixth Form

TEACHER OF COMPUTER SCIENCE AND IT

Founded in 1646, Reading Blue Coat is a leading independent day school of 760 pupils; 677 boys aged 11 – 18 and a further 83 girls in the co-educational sixth form. The School is located on a beautiful 46 acre campus in the village of Sonning, just outside Reading, overlooking the River Thames.

The School employs over 170 staff, of whom 50% are academic staff. Reading Blue Coat provides a stimulating, friendly and supportive atmosphere in which each pupil can realise his or her full intellectual, physical and creative potential.

An enthusiastic, inspiring, Computer Science teacher with outstanding subject knowledge is required from September 2020 to teach at all stages of the School, including A Level. Teaching takes place in a new IT centre with four dedicated well equipped computer rooms. This is a new post and you will join a department that is staffed by knowledgeable and experienced teachers, and has access to four full time network and software support staff.

At GCSE, 50 students currently follow either IGCSE Computer Science or IGCSE Information Technology.

You will have an opportunity to contribute to the co-curricular offerings of the departments and the wider life of the School, to which your energy, warmth and pastoral instincts will lend themselves.

It is likely that you will hold a degree in relevant discipline. Applications are welcome from NQTs and those completing their PGCE qualification.

The School provides a stimulating and vibrant environment in which to teach, and you will join a highly committed and enthusiastic academic team.

Reading Blue Coat School has been recognised by the *Daily Telegraph* as one of ten independent schools offering the best value in the UK.

We offer an excellent salary and benefits package, dependent on qualifications and experience.
